QUALIFICATION

The League will declare the final order of finish as the website standings will not necessarily display the seedings properly. Final order of finish and seeded schedules will be posted to the website.

Tiebreaker if teams are tied:

- Most points earned between the tied teams in head to head competition
- Most overall wins this season using all League games played
- Goal differential between the tied teams
- Fewest goals allowed between the tied teams
- Goal differential this season using all League games played
- Fewest Goals allowed this season using all League games played

Once a criteria firmly establishes the position of any tied team, that team will be placed in that position, and the remaining teams will start the tie breaking process from the beginning to determine the order of finish for the remaining teams.

- Players must have participated in a minimum of four (4) AYHL League games in order to be eligible to participate in the AYHL Playoffs.
- Your current AYHL website roster should match your Certified USA Hockey Team Roster. ONLY those players and coaches listed on BOTH your USA Hockey roster and the AYHL website roster will be permitted to participate in games or be in the bench area. There will be NO EXCEPTIONS to this rule as it is a USA Hockey liability issue. Please note that all player information must be complete on the AYHL website. There will be fines imposed by the League for each missing piece of information at a rate no less than \$25.00 per occurrence.

DISPUTES/OPERATION OF TOURNAMENT

- Pre-tournament disputes between the on-site AYHL Playoff Tournament Director, the host committee and/or the district Referee-in-Chief, shall be resolved by the AYHL Playoff Tournament Director.
- After the commencement of the first game, the AYHL Referee-in-Chief, in consultation with the AYHL Playoff Tournament Director, shall act as the final arbiter in all disputes involving the interpretation of the playing rules.
- For any other decision, other than playing rules interpretation, with regard to the operation of the tournament (including zero tolerance, tournament play or conduct not in the best interest of hockey), the AYHL Playoff Tournament Director shall have the final authority to make the appropriate decision.
- The AYHL Playoff Tournament Director, in all matters pertaining to tournament play, shall have the authority to adjust matters at any time in the best interests of the tournament and ice hockey in general.
- The on-site "Medical Personnel" will have the over-riding authority to determine if a player's injury warrants removal from the game and/or referral to the local medical facility. If a player is referred to the local medical facility, and intends to return to play, the player must provide the on-site medical staff with a written release from the doctor who examined him/her and determined that the player was able to return to play.
